Subject line: Access exclusive benefits and discounts with the Swag app

Body:

Hi [First Name],

We wanted to send across some helpful information to help you get the most out of the new employment app, Swag. In particular, there are rewards and savings that you can access in the Benefits tab that you may not be aware of. Because we use Employment Hero, you'll be able to experience these new perks.

When you login to Swag and click the Benefits tab, you will see options in the navigation bar to access discounts in the Swag store and claim Cashback offers. Because our company uses Swag, we get to join the Swag network and benefit from the buying power of 200,000+ businesses and 1M+ employees.

Key features include:

Cashback offers: Being part of the Swag community means you can access exclusive Cashback offers from top brands like The North Face, Adore Beauty, Hello Fresh and more. We're able to offer you up to 20% cashback on purchases, so you can save more and budget better. You just need to enrol your card, browse the offers and receive cashback into your Swag Account.

Swag Store: View and purchase discounted gift cards at 4.5% from popular retailers like JB Hi-Fi, Uber Eats and Dan Murphy's.

If you have any questions about the Benefits tab in Swag, you can visit the [Swag Help Centre](#) which addresses key feature-related questions.
